Important Schedule Notes

- Starting times listed for examinations refer to the local time.
- Candidates should arrive at the examination center at least 30 minutes prior to the scheduled exam time for the check-in process.
- Examinations administered exclusively by the CAS will have a reading time prior to the commencement of the timed exams. For Exams 5 and 5-9, there will be a 15-minute reading period.
- Waivers for Exam 1, Exam 2, Exam 3F, and Exam 4 are accepted from the Actuarial Society of South Africa, the Actuaries Institute (Australia), the Canadian Institute of Actuaries (except for Exam 1), the Institute and Faculty of Actuaries, and the Society of Actuaries. In addition, the CAS will now be granting exam waivers based on exams administered by the China Association of Actuaries. This derives from the Board decision that fully accredited IAA actuarial organizations can now submit their syllabus and learning objective materials for their preliminary exams as a cohort to gain credit for CAS Exams 1, 2, 3F, and 4 and Validation by Educational Experience requirements -- Corporate Finance and Economics. Updated information for waivers for Exam 1, Exam 2, Exam 3F, and Exam 4 will be incorporated as necessary and will be noted in the Syllabus section for the specific exam.
- To meet the CAS requirements for CERA, candidates should submit their registration to the CAS for Institute and Faculty of Actuaries (U.K.) Exam ST9.
