**ING Canada** is the largest Property & Casualty insurer in Canada. A large part of our success is rooted in our strong actuarial culture. The actuarial department consists of over 70 members working in a team oriented environment with an emphasis on both personal and career development.

To find out more about these postings, please visit our web site at [www.ingcanada.com](http://www.ingcanada.com) and click on Careers/Canadian Opportunities. The web site allows you to apply on-line.

If you prefer to speak to someone, you can do so by contacting Sandra Schwering of our HR Department by phone at 416-440-8779 or by email at [sandra.schwering@ingcanada.com](mailto:sandra.schwering@ingcanada.com).

## **ACE INA Insurance – Actuarial Manager**

ACE INA Insurance is seeking an actuarial manager to provide pricing support and information to local and global management, as well as regulatory authorities. The role also supports operational planning and forecasting.

The main duties and responsibilities are as follows: develop general loss cost pricing models and associated differentials for product lines; provide individual account pricing support to senior management and product management as needed; maintain and enhance monthly price monitor reporting; develop and maintain pricing information database(s); develop expense and capital allocation models and processes; provide annual analysis of capital adequacy to senior management and home office for consideration in capital position decisions; provide reinsurance submission data support and support monthly determination of subject premium as needed; provide planning and forecasting support to senior management, product management, and home office; and provide input into database development and management as needed to ensure data availability to support actuarial requirements.

The requirements of the position are as follows: Associate of Casualty Actuarial Society (CAS) or recent Fellow of CAS; minimum 5 years appropriate pricing experience in the insurance industry specifically commercial property and casualty insurance industry; extensive knowledge of Excel, Access Word and working knowledge of @Risk; strong interpersonal and communication skills; and technically strong in actuarial pricing methods, including stochastic pricing methods.

To explore this opportunity, please send your resume in confidence to:

Norma Ross,  
Director Human Resources, ACE INA Insurance  
Fax: (416) 368-9825  
Email: [norma.ross@ace-ina.com](mailto:norma.ross@ace-ina.com)

**OCCA newsletter job posting opportunities** – OCCA would like to offer job posting opportunities in its Spring and Fall newsletters.

- All ads must be specific positions and be targeted towards actuarial employment. We will not accept ads that are generic in nature and OCCA reserves the right to reject ads that are deemed inappropriate.
- All ads are published in a classified format and we will not publish logos.

If you wish to place an ad in the OCCA newsletter, please contact the OCCA executive committee for more information.
