

Seek Your Intent to Participate in Negative Interest Rates Research Study

The Joint Risk Management Section of the of the Canadian Institute of Actuaries, the Casualty Actuarial Society and the Society of Actuaries along with the Society of Actuaries Joint Risk Management Research Committee are sponsoring a survey on negative interest rates. The project is meant to provide insurance company actuaries and risk managers information on the range of attitudes and risk management practices across the insurance industry regarding negative interest rates.

INTENT TO PARTICIPATE

To help with planning, the sponsors would appreciate knowing your company's interest in participating in the survey. Email questions and the intent to participate to Ronora Stryker at rstryker@soa.org by **MONDAY, APRIL 30TH**.
