RE: Changes for the Spring 2018 CAS *Syllabus of Basic Education*

The CAS Executive Council has approved that there will be no changes, including reading additions, modifications, or deletions for Exams 5, 7, and 9 for the Spring 2018 syllabus.

There are no changes to the Online Courses 1 and 2 content.

Other changes that may be made include modifications to learning objectives and knowledge statements, as well as edition changes to current citations.

The Spring 2018 syllabus will be posted in November 2017 and the CAS Study Kits will be available by mid-December.
