Bio:

Daniel Tess, FCAS

Daniel was a Group Actuary & Appointed Actuary in Australia, and has created and signed-off for valuations (ILVR) and Financial Condition Reports. Daniel is a regular guest lecturer for the UNSW actuarial program since 2000, and was a high school teacher prior to becoming an actuary. Daniel recently joined Medical Indemnity at Avant, Australia's largest provider of medical indemnity and defense services, as a General Manager.

Judy Ng, FCAS

Judy is currently working at KPMG providing actuarial audit supports for Singapore, Malaysia, Indonesia and Thailand as well as assisting client in risk/capital management, capital modelling, and RBC2 related matters. Judy has reserving experience in various industries, such as agriculture, reinsurance, and direct insurance.

Herb Desson, ACAS

Herb is currently an independent consultant based in Thailand. He has worked in the US and the UK as well as Thailand and has extensive international experience in reserving and financial reporting.

organized by:

- Actuarial Society of Malaysia (ASM)
- Casualty Actuarial Society (CAS)

co-sponsored by:

- Institute of Actuaries of Australia (IAAust)

Background – The recently issued Appointed Actuary guideline requires the preparation of Financial Condition Report (FCR). This is a new requirement for both the actuarial profession and companies in the general insurance and general takaful industry.

Workshop – This technical workshop aims to cover a comprehensive range of topics under the FCR, and both the technical and practical aspect of loss reserving.

FCR – We will delve into the FCR topics based on the Australian requirements and on the underlying Solvency II philosophy, and explore how these can be applied to the Malaysia / Asia context.

Loss Reserving – We will briefly cover the development methods, and then delve into the more practical aspects of the loss reserving exercise (e.g. real world departures from 'smooth triangles', monitoring metrics, communicate to the various key stakeholders, etc.)

Limited Spaces – First come, first served basis
