“Defining Discrimination in Insurance” by Kudakwashe F. Chibanda, FCAS

CAS Research Paper Series on Race and Insurance Pricing

Updated: September 23, 2022

The CAS Research Paper “Defining Discrimination in Insurance” by Kudakwashe F. Chibanda, FCAS, has been revised from the original posted on March 31, 2022.

Page 10

In Figure 5, “Process for Determining Disparate Impact,” the “Yes” and “No” after the second decision tier (“Is there a necessary relationship to a legitimate interest?”) were exchanged and the box which stated, “No Disparate Impact” was changed to read “Disparate Impact.” The graphic now accurately represents the decision flow as described in the paper.
