A Global Society of General Insurance Actuaries

- **11,000+** Members are located in **50** countries
- **3,000+** active candidates in **53** countries
- **17%** of active candidates are located outside of North America
- Active member of the International Actuarial Association

● Affiliate Membership

CAS Affiliate Membership is available to qualified actuaries working in the general insurance field but who do not meet the qualifications to become an Associate or Fellow of the CAS.

Benefits include:

- Digital subscriptions to Actuarial Review, Variance, and the CAS Weekly Bulletin
- Access to member rates for CAS meetings and webinars
- Networking opportunities
- Opportunities to volunteer with CAS working groups and task forces
- And more!

Basic Education

Educational Journey

Actuarial candidates must pass a series of exams to become credentialed property and casualty actuaries and CAS members. The requirements outlined here will help guide you to the highly coveted Associate (ACAS) and Fellow (FCAS) designations.

Exam 6-International

Premiered in Fall 2021

- **What?** Expand knowledge of international markets and provide practical information on various regulatory systems.
 - IFRS 17, Solvency II, Takaful (Islamic) regulation, regulations used in China
- **Why?** To afford international candidates the opportunity to take an exam that more closely aligned with their day-to-day work.
- **When?** Available every November exam sitting
- **How?** Constructed response, 4.5 hour exam, given at Pearson Professional Centers globally

Building Skills for the Future |

Property and Casualty Predictive Analytics (PCPA) Requirement

- What is it?

- New Requirement for ACAS Designation
 - Beta test held November-December 2023
 - Became available beginning June 2024 (not required)
 - Required for ACAS starting January 2026
- Assesses both essential skills and streamlined practical application
- Property & Casualty focused test on predictive analytics

- How is it implemented?

- There is both an Exam Component and a Project Component
- Partners: Pearson VUE (Exam) and The Institutes (Project)

● International Discounts on Admissions Exams and Class Fees and Study Kits

- The CAS provides exam and DISC discounts of **75% off** for candidates in nearly 100 countries!
- No membership fees required for students/candidates.
